### Circular Memorandum

TO: The Permanent Secretaries and Heads of Departments

**SUBJECT: PUBLIC SERVICE AWARENESS ON PROPOSAL FOR BUILDING A BETTER FIJI  
THROUGH A PEOPLE'S CHARTER FOR CHANGE AND PROGRESS**

---

---

The officer of the Prime Minister will be conducting an awareness programme for Ministries and Departments on the proposal for Building a Better Fiji for all through People's Charter for Change and Progress.

The Public Service has been identified as one of the critical stakeholders in the realization of the Interim Government's vision of moving forward together to build a better Fiji for all. As such the awareness briefings for Ministry and Department staff are intended to provide greater awareness amongst public servants of the People's Charter and its objectives.

An invitation has been sent to you by the office of the Prime Minister and attached is a schedule of briefings to be held from Monday 1<sup>st</sup> – Friday, October 2007 at the Big Committee Room, Parliament Complex, Veiuto.

This programme is targeted at all occupational groups and all levels of officers within your Ministry/Department. The Big Committee Room has been seating capacity for approximately 80 people.

The actual number of departmental representatives to attend the session will be discussed directly between NCBBF Secretariat and Ministries and Departments concerned.

You are all requested to ensure the attendance of a representative cross section of staff from your Ministry/Departments to your scheduled briefing.

Please contact Mrs. Sereani Bainimarama at the Parliament Complex for further clarification.
