**CIRCULAR MEMORANDUM**

To: All Permanent Secretaries and Heads of Departments

Subject: **PROVISION OF VOLUNTEERS FROM PEOPLE'S REPUBLIC OF CHINA**

We have received advise from the People's Republic of China through their Embassy in Suva that there are possibilities of Fiji benefitting from Volunteers from China same as what is currently provided by US Peace Corps, JICA and KOICA.

The Chinese Authorities however, would like to respond more to our needs and in this regards, they have requested for priority areas where volunteers from China could be sourced to assist in our public service delivery and developmental work.

I therefore would be grateful if you could provide the Public Service Commission your inputs on priority areas where Chinese Volunteers could be deployed on short term basis between one to two years.

The Ministries requesting such assistance will need to provide housing, local transportation and necessary logistics to accommodate the Chinese Volunteers.

We would appreciate your feedback by close of business on Thursday 14/01/2010, please.

Parmesh Chand
