PSC Circular No. 13/2007

To: All Permanent Secretaries and
Heads of Department

File: 29/573

Subject: One Day Protest on 1st May, 2007

Date: 30/04/07

- 1.0 There has been a call from an unknown source made through the web for a one (1) day protest on 1st May, 2007, which may include work stoppage, although this should not be given any credence, due to its anonymity, the Public Service Commission nevertheless sees the need for this Circular to be issued requesting Permanent Secretaries and Heads of Departments to closely monitor the situation in your own workplaces including the attendance of staff.
- 2.0 It is important that staffs of your Ministry/Department are made fully aware of the implications and consequences of their actions where it involves unauthorized absences and the likelihood of disciplinary action and pay deductions being instituted under the Public Service Act and Regulations, 1999.
- 3.0 The Commission would greatly appreciate your usual role in such matters and also that this Circular is given the widest possible circulation.

T. Tagicakibau (Mrs.)

Permanent Secretary for the Public Service, Public Enterprises and Public
Sector Reform
